A FINISHED GAME, READY TO LICENSE

5 × 4	40	96.00%	2,500×	7 BONUS
Reels × rows	Fixed paylines	Theoretical RTP	GRAND, times total bet	Open the Vesper Vault

Every spin is decided on the server. Line wins pay left to right on 40 fixed lines; GRAND, MAJOR and MINI are drawn on every spin; seven or more BONUS coins open the 20-cell Vesper Vault with three respins and a multiplier up to 5×.

- Desktop and mobile, portrait and landscape
- Five languages in the game
- Ten bet levels
- Retry-safe rounds, bonus resume after reload
- Demo video in 1080p60

PRIZE MOMENTS

Built to be watched

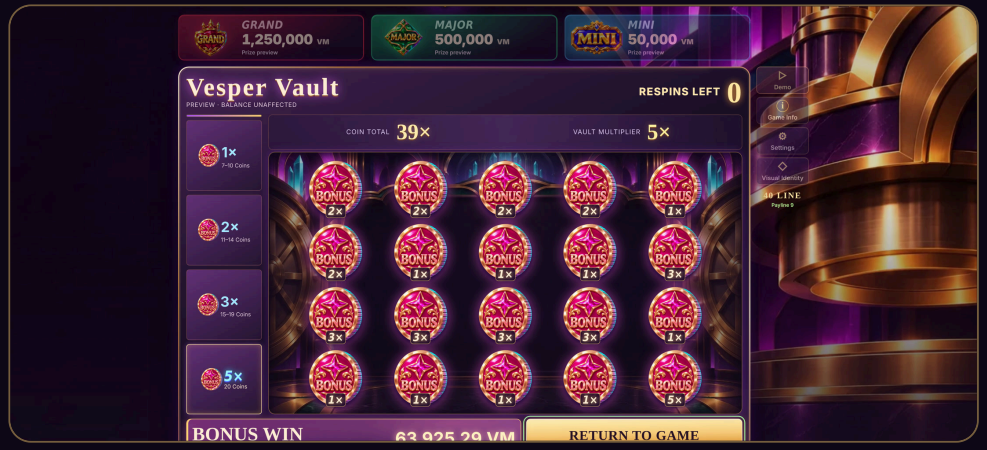

GRAND Jackpot · 2,500× the total bet

5 × VESPER · 550× the line bet

Full Vault · All 20 cells, 5× vault multiplier

Bonus Win · Coin total × multiplier × total bet

MATH

The numbers behind the game

RETURN TO PLAYER

Line wins	73.42%
Vesper Vault	19.04%
Jackpots	3.54%
Total RTP	**96.00%**
Spins with a payout	66.63%
Vault opens	1 in 132

Exact values over all 1,048,576 reel stop combinations. RTP is the long-run return over total bets, not the chance of winning one spin.

PAYTABLE · × LINE BET

SYMBOL	3	4	5
Vesper Crest	34	135	550

LICENSING

Five ways to work with us

01 / NON-EXCLUSIVE

Game rights

The full game for your own studio or platform: cabinet, engine, math and art. You certify and release it under your own licence.

02 / ONE BUYER

Exclusive rights

The same package, sold to one buyer only. The title leaves our catalogue for everyone else.

03 / SOURCE CODE

Social & sweepstakes

Source code and art for play-money social casino and sweepstakes apps, without real-money features.

04 / BUILT FOR YOU

Custom version

Your currencies, languages, bet range, RTP variant and branding on the same engine. New symbol art and skins on request.

05 / BY AGREEMENT

Hosted integration

We run the game on our servers and connect it to your wallet through an API. Offered by agreement to licensed operators.

From request to release

1. **Request.** Send the form below. It takes about two minutes.
2. **Review.** We check the request and reply by e-mail, usually within two business days.
3. **Demo call.** A live walkthrough of the game, the math and the code.
4. **Agreement.** Licence terms, scope and price. Invoices are paid by bank transfer.
5. **Delivery.** The package, or an integration tested in a sandbox before it goes live.

Prices depend on the licence type, exclusivity and the amount of custom work. We send a quote after the demo call.
